

## **State 4-H Horse Program Announces 2009 State Horse Bowl and Hippology Champions**

The 2009 Tennessee State 4-H Horse Bowl and Hippology Contests were held Saturday, February 21, at Tennessee Technological University in Cookeville. This is the 16<sup>th</sup> year for the event and it has grown annually. “These contests provide not only tremendous educational benefits, but also allow youth to develop life skills that contribute to their overall future success,” says Dr. Bridgett McIntosh, Assistant Professor, Animal Science, University of Tennessee Extension.

The Horse Bowl contest challenges youth to learn scientific information about horse nutrition, reproduction, genetics, behavior, health and management. The Hippology contest allows 4-H youth to demonstrate skills they have learned in equine science, horse judging and identification of horse related tack and equipment. The top three teams from each regional competition held earlier in the year were eligible to compete in the State Championships.

The Senior Division of the Horse Bowl competition was won by Cocke County. The team from Cocke County included Kelsey Haynes, Luke Hopkins, Emily Smith and Kinzey Brooks, who were victorious over twelve other teams. The Cocke County team will be eligible to represent Tennessee at the Southern Regional 4-H Horse Championships later in the summer in Little Rock, Arkansas, the Eastern National 4-H Roundup in Louisville, KY next November, as well as other national events. They were coached by Karen Hopkins, volunteer 4-H leader.
